On July 7, 2017, less than one week after the commencement of supervision, Mr. Rodriguez returned to the Residential Reentry Center (RRC) under the influence of alcohol, more specifically more than twice the legal drinking limit in the State of Nevada.

According to the incident report prepared by the RRC, Mr. Rodriguez returned to the facility after being out on an approved community movement pass at approximately 8:45 P.M. An alcohol Breathalyzer test conducted produced results of .19 Blood Alcohol Content (B.A.C.). A

second test taken at 9:00 P.M. produced results of .25 B.A.C. Mr. Rodriguez was placed on lockdown at the facility with the exception for employment.

On July 10, 2017, the undersigned met with Mr. Rodriguez at the RRC to discuss the circumstances surrounding the incident. Mr. Rodriguez admitted to consuming several beers and a bottle of Amsterdam after receiving news that his father was in the hospital with diabetes complications (unconfirmed). Mr. Rodriguez admitted he should have made a better decision to deal with the situation and understands that his actions could have consequences with regards to his supervision.

Mr. Rodriguez was verbally admonished, immediately placed on the code-a-phone testing system, and referred for a substance abuse and mental health assessment. We are respectfully requesting that Mr. Rodriguez's conditions of supervision be modified to include alcohol abstinence. Mr. Rodriguez is in agreement with this modification as evidenced by his signature on the attached Probation Form 49, Waiver of Hearing. Should Your Honor prefer to advance the status hearing, we would be in agreement with that course of action as well.

Respectfully submitted,
